**catamaran Trip at Tortuga island:** If you’re looking for the perfect day trip, this tour is geared toward fun in the sun. We invite you to enjoy the beautiful, white sand beaches, sparkling waters, colorful fish and exotic, tropical rainforests of Tortuga Island.

On your cruise to Tortuga Island, sun-lovers may choose to enjoy the views from the open-air seating, which is available on deck. Air-conditioned, indoor seating is also available, featuring large, port and starboard windows to assure an excellent view of the Pacific while inside.

**Surf Lessons:** Group lessons are great for families, groups of friends, and couples who only have a few hours to dedicate to surfing during their vacation. Our classes have a 7:1 student to instructor ratio and we focus on learning to surf in a safe environment. Even for those who are traveling alone, group surf lessons can provide a great opportunity to meet other travelers/future surfistas – please note that we require a minimum of two people for a group lesson.

**Carara National Park Tour :** We made a spontaneous stop here, and found that one of the best ways to see wildlife was to look for people with their necks craned, peering into the brush or canopy. We would then stop at a respectful distance, and look where they were looking. More often than not the guide, or one of the birders would invite us over to look through their binoculars or spotting scope while they described the habits of the bird or animal we were seeing.

**Cocodrile Tours:** We are pioneers in this adventure, we have more than 20 years of experience, we are made up of a team of Costa Ricans, natives of the place, who have dedicated decades ago to ecotourism in the region. The guides are some of the best in the area, we have managed to collaborate with companies such as: NATGEO and DISCOVERY CHANNEL when they come to COSTA RICA to film wildlife documentaries, we serve individuals, companies, national and international schools.

The following tours, if they are from 1 hour and 30 minutes away,

to 3 hours.

**Arenal Volcano:** The majestic Arenal Volcano is located within the Arenal Conservation Area. With more than five hundred thousand acres, it conserves 16 reserves between the mountains of Tilarán and Guanacaste. This is one of the areas in Costa Rica with the most natural and biological wealth, it also has an impressive geological complexity, such as the Arenal volcano, which is the volcano with the most perfect cone of all the volcanoes in the world.

**POAS Volcano:** Poas Volcano National Park houses one of the more popular volcanoes in Costa Rica—a telling superlative for a country with world-famous geothermal activity. But with its spectacular wildlife, informative museum, and variety of hiking trails, the accolade comes as no surprise.

**Manuel Antonio National Park tour:** Manuel Antonio National Park contains a charming combination of rain forest, beaches, and coral reefs. These beaches are the most beautiful in the country, lined with lush forest. The forest is home to 2 and 3 fingered sloths, toucans, iguanas, the rare and adorable squirrel monkeys, millions of colorful little crabs, and much more. The trail that winds around Punta Cathedral affords some spectacular views. The park is easy to reach, south of the town of Quepos in Puntarenas province, and is near a good selection of hotels and restaurants.

**Rincon de la Vieja Volcano Tours:** Your guide, a native of the Rincón de la Vieja volcano, will help you observe wildlife such as toucans, capuchin monkeys, howler monkeys, turkeys, coatis, and much more. You will stop to see volcanic activity including bubbling clay pots, fumaroles, and a mini crater.

After lunch, you will be driven to the hot springs. Surrounded by tropical dry forest, the Rio Negro hot springs feature ten pools with hot springs naturally heated by the Rincon de la Vieja Volcano. The relaxing mineral waters are crystal clear and totally natural, and the river flows through the pools constantly. fill them with water. Relax and enjoy the luxury of our healing waters. You can also try our volcanic mud "bath", where the volcanic clay mud is applied as a spa "mask", and after it dries, wash it off with a cold shower from the river. The hot spring water will feel great afterwards!

**Rafting** Once you arrive at the Rio , rafters are gathered together for a thorough safety briefing and team planning session. During this meeting, your knowledgeable rafting guides will review the conditions on the river and the obstacles you might face during your tour. Careful instruction on the techniques you can use to meet those challenges with confidence and enthusiasm is provided, along with simple signals that maintain team communication during the adventure. Professional and friendly bilingual guides are happy to answer any questions they may have.
